

In re Appln. of Kim et al.  
Application No. Unassigned

*REMARKS*

This is a divisional of co-pending U.S. patent application No. 10/092,468. The claims are now directed to the non-elected subject matter. The foregoing Amendments improve the form of the application without adding new matter. The Examiner is requested to enter the Amendments to the claims prior to calculating the claim fee. The specification and claims have been amended to correct obvious typographical errors consistent with changes made in the parent application. The title has been amended to reflect the subject matter of the claimed invention.

If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

Shannon Schemel
